tells a story.*

PORT STEPHENS RESIDENCE
ARIANA GOLD MARBLE

NATURE'S PALETTE

Olive, Beige, Bronze, Tan, Ivory

A collection inspired by the natural world, showcasing earthy tones and organic patterns that harmonise with various design styles.

This captivating selection of natural stone is a testament to the raw beauty of our planet. From the tranquil beige reminiscent of windswept sand dunes to the olive hues mirroring lush landscapes, this collection transforms your space into a canvas of nature's own design.

CALACATTA ORO MARBLE

DEE WHY RESIDENCE
CALACATTA ORO MARBLE

Calacatta Oro Marble takes center stage in the Dee Why Residence, embodying the pinnacle of luxury and elegance. Its bold, striking veining creates a captivating focal point, beautifully contrasting with the clean, all-white cabinetry for a harmonious yet dramatic aesthetic.

This Italian marble, one of our most sought-after selections, elevates the kitchen into a refined statement of timeless design, making it an exquisite choice for those with a discerning eye for sophistication.

TIMELESS CLASSICS

White, Ivory, Beige, Silver, Grey

A collection exuding an understated elegance that stands the test of time.

With their subtle yet opulent charm, our timeless classics create an ambiance of refined sophistication in any interior. Timeless and versatile, these stones serve as a canvas for your design aspirations, allowing you to craft spaces that are not just beautiful, but enduring works of art.

ROSSO VERDE
PROJECT BY CARTER WILLIAMSON ARCHITECTS
PHOTOGRAPHED BY PABLO VEIGA

Breccia Rosso Marble, with its deep burgundy veins intertwined with soft pink and gold hues, brings a bold, adventurous elegance to the heart of this kitchen. A striking choice for those who seek to push design boundaries, this marble infuses the space with undeniable sophistication.

Featured in the Rosso Verde project by Carter Williamson Architects, Breccia Rosso creates a captivating focal point that elevates the overall aesthetic, offering a unique and luxurious touch to this expertly crafted interior.

COASTAL COLLECTION

Calm, Warmth and Optimism

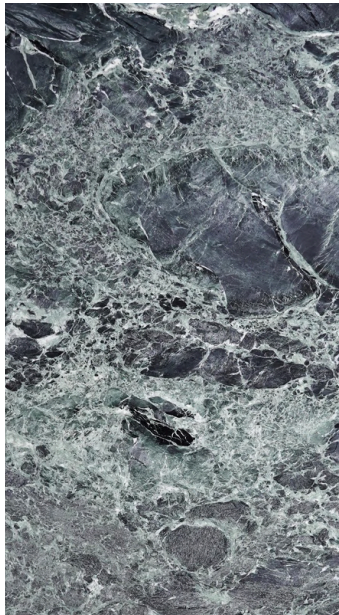

A harmonious fusion of natural stone variations that evoke the serene and optimistic essence of coastal landscapes.

These materials exude a tranquil warmth that mirrors the beauty of nature's coastal wonders. With hues reminiscent of sun-kissed shores and textures that capture the essence of the ocean, our Coastal Collection invites you to bring the coastal charm into your space.

CALACATTA VAGLI MARBLE

Calacatta Vagli Marble, sourced from the renowned Carrara Mountains in Italy, exudes luxury with its warm white backdrop and soft, earthy-gold veining.

Its unique, brecciated pattern creates a captivating visual, making it ideal for bold focal points like a kitchen island or feature wall. Even in smaller applications, such as shower niches or fireplace hearths, this marble adds timeless elegance and a striking presence. Seen here in this luxury penthouse residence, Calacatta Vagli elevates the design, embodying refined sophistication in every detail.
